How to Login to Weave

Visit this [link](https://app.weaveeducation.com/login/ttuhsc) (https://app.weaveeducation.com/login/ttuhsc) and login by clicking on “Access Weave using your institution’s sign-on.” On the next page that shows up, type in “ttuhsc.”

New users must be given access to the Weave system by a TTUHSC Weave Administrator. If you need access, please contact kara.page@ttuhsc.edu and indicate the plan(s) for which you need access. (Do not use Internet Explorer as your internet browser.)

Access Weave using your institution's sign-on

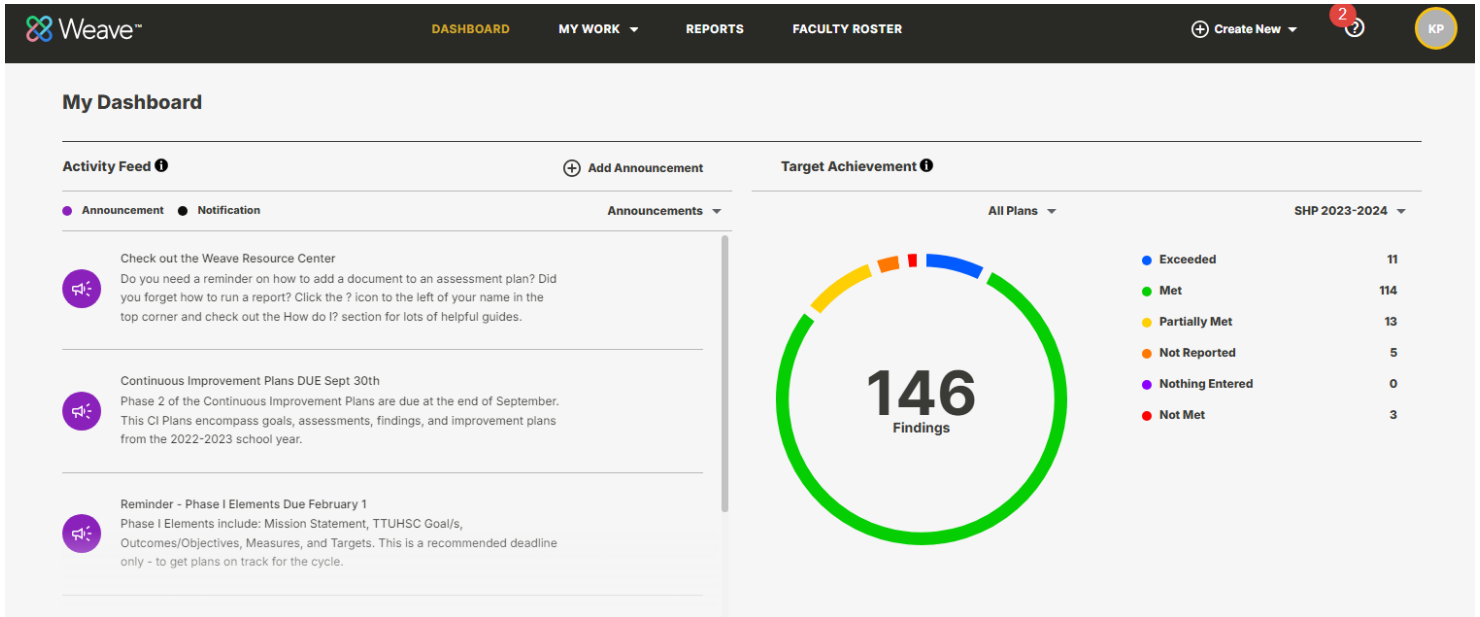

© 2025 Centrieva, LLC. All Rights Reserved.

Viewing the Dashboard

Upon logging in, you will be brought to the My Dashboard. This page provides a list of upcoming Announcements and a graphical overview of the assessment projects that have been assigned to you. You will be able to see the status of your project(s) her. You can also filter by reporting periods & projects to see the status of each element within the project.

NOTE: Weave refers to Continuous Improvement Reports as "Projects."

Your dashboard will look similar to the screenshot below:

Selecting a Project

To access your plan(s) in Weave, you will hover over MY WORK and then select "Projects" at the top of the page. This option will be available at all times, so you can navigate between screens.

On the "Projects" page, you will see a list of plans that have been assigned to you. You can filter for a specific project by typing in that project's name in the "Filter projects" field. Or you can scroll through your list to access your specific project.

As the years go on, the number of your projects will increase & you will want to filter by the "Reporting Period" to ensure you are working on the correct plan for that reporting period. You will always want to double-check that the "Year" for the plan you are going to select is the correct one for that reporting period.

Once you have selected your project for the first time, your continuous improvement/assessment plan will be in Outline View mode like the screenshot below:

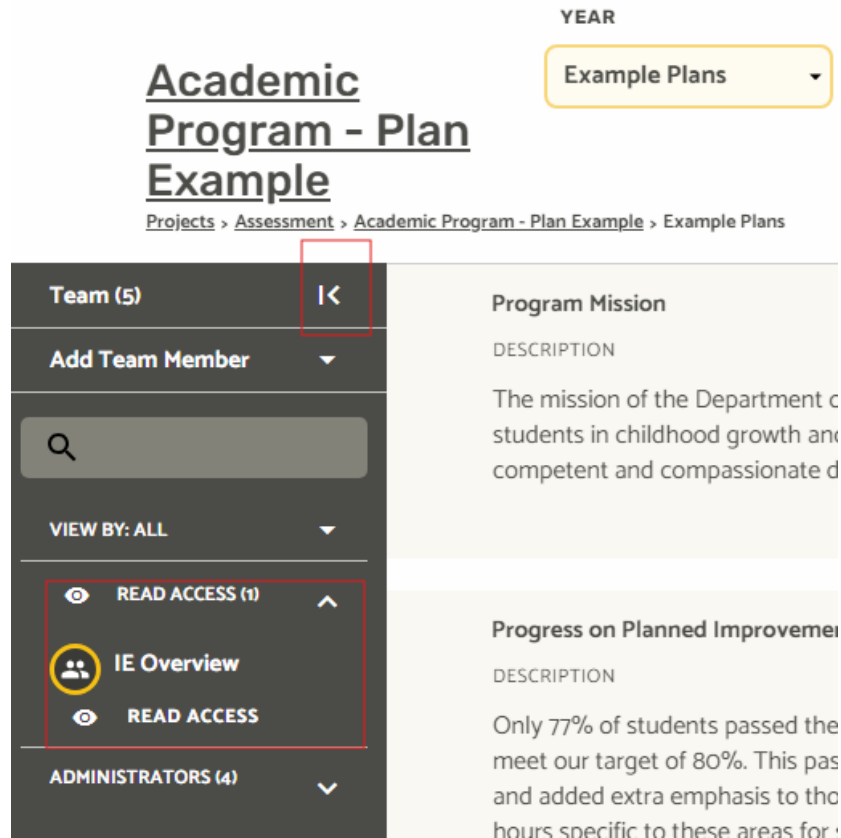

(For more on Outline View mode, see the “Rearranging Project Elements” section.)

You will click on the right facing arrow in bold “>|” (highlighted above in **yellow**) to move your outline view to the right and access the fillable portion of your project as shown below:

Navigating & Completing Your Project

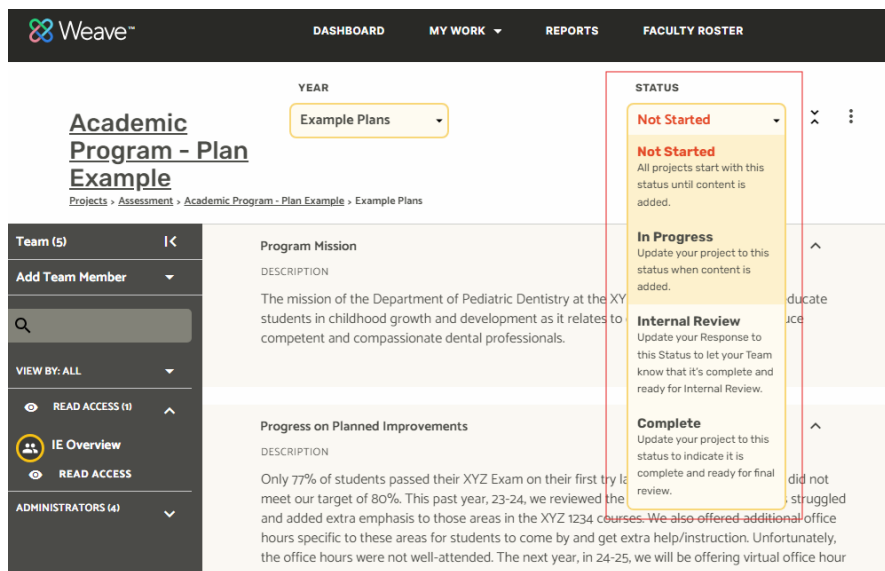

Project Status

You can view whom all has access to a plan by looking through the users listed on the left-hand side of your plan. You can minimize or expand this section by clicking on the bold arrow: |< (outlined below in red).

The Project Status will automatically be set to “Not Started” at the beginning of each cycle. As you work in your plan, please update the status accordingly. Once you begin working in your plan, your status should remain as “In Progress” until you have completed all elements at the end of the reporting period (no later than September 30th). Should you need another team member to review your plan at any time while you are working on it, you may change the status to “Internal Review.” Please note, you will need to indicate to your other team member(s) that the plan is ready for their review, changing the status to “Internal Review” will not notify them. Once they have finished reviewing, the status will need to be changed back to “In Progress” or “Complete,” whichever is appropriate.

- Project status options:
 - **Not started:** All projects start with this status until content is added.
 - **In Progress:** Update your project to this status once you have begun adding content.
 - **Internal Review:** Update your project to this status to indicate that your project is needing to be reviewed by another member of your team. Once the review is completed, please put your plan back as “In Progress” if still in the Planning Phase or as “Complete” if your plan is finished for the cycle.
 - **Complete:** Update your project to this status to indicate it is complete, including Findings and Action Plan.

Filling in Elements

When filling in the plan elements, click in any field that highlights yellow or has "Enter Text" to begin typing your information. Please note this is real-time editing. **Once you begin typing, the information you input or edit will be automatically saved.**

Progress on Planned Improvements

DESCRIPTION

TTUHSC Goal(s) +

1 TTUHSC Goal(s) Enter Text ^ ⋮

DESCRIPTION
Enter text

Program/Unit Mission

Input your Program/Unit's Mission Statement in this section.

Unit Mission

DESCRIPTION
In order to support faculty and staff in achieving the institution's mission, the Office of Academic Planning & Compliance seeks to promote continuous improvement through annual planning and assessment; coordinate institution-wide academic planning; and ensure ongoing compliance with THECB, SACSCOC, and other federal requirements.

Progress on Planned Improvements

In this section, review your Action Plan(s) for those Targets marked as *Partially Met* or *Not Met* from the previous cycle. Elaborate on the actions you took in the current cycle to address those issues. Upload any applicable documentation. If you marked *Met* on all Targets in the previous year, please give a brief summary of program/unit successes or improvements that happened during the last year.

TTUHSC Goals

Input the title of a TTUHSC Strategic Goal in the small section next to TTUHSC Goal(s). Next, input the TTUHSC Strategic Goal's objective (Innovation or Collaboration) & definition in the "Description" section. **Only** use a TTUHSC Goal(s) from the TTUHSC Strategic Plan in this section. The "Enter Text" section to the right of the element is for the title of TTUHSC Goal and the "Description" section is for providing the TTUHSC Goal's definition. Both sections must be completed.

TTUHSC Goal(s) +

1 TTUHSC Goal(s) Academics ^ ⋮

DESCRIPTION
Promote innovation in our academic programs, academic support services and student affairs.

Outcomes/Objectives

Input the title of your Outcomes/Objectives (O/O) in the small box to the right and utilize the "Description" box to add the O/O. The "Enter Text" section to the right of Outcomes/Objectives is for the title of that O/O and the "Description" section is for providing the description of the O/O. Both sections must be completed.

1.1 Customer Outcome(s)/Process Objective(s)	Institutional Surveys	←	<u>O/O Title</u>
DESCRIPTION	APC will promote continuous improvement across all TTUHSC campuses through the administration of institutional surveys and communication of results to appropriate audiences.		← <u>O/O Description</u>

Action Plan

In the Action Plan "Description" box, provide a detailed description of the actions you plan to take for the Targets marked as *Partially Met* or *Not Met*. If beneficial, you can use the "Action Items" section to discuss each Target's Action Plan in more detail. Actions Items may be helpful when you have multiple targets or actions needed per Outcome/Objective. If all Targets were *Met*, we advise you to use this section to indicate what your department/unit will do to make general improvements over the next year. However, if your department does not have anything additional to add, please indicate "Target(s) was met. No action needed at this time."

Action Plan ^

DESCRIPTION

The Cardinal invoice application will be completed by the end of FY 2025 to allow for more efficient processing of invoices related to multiple departments within Texas Tech University Health Sciences Center (TTUHSC).

Coding completed for Cardinal invoice application	9/5/2023	1/31/2025	Planned

Measures

Input the title of your Measure in the "Enter Text" section to the right of the element and utilize the "Description" box to provide details of the Measure. Both sections should be completed.

The screenshot shows a form for entering a measure. At the top left, it says "1.1.1 Measure". To its right, a red box highlights the text "Report-Student Satisfaction Survey", with a red arrow pointing to it from the label "Measure Title". Below this, a large red box highlights the "DESCRIPTION" section, which contains the text "APC will prepare a report detailing key findings from the biennial administration of the Student Satisfaction Survey". A red arrow points from the label "Measure Description" to this box.

Targets

Input a detailed description of your Target in the "Description" section. Then, input the specific Target you are trying to reach in the "Target" section (this is typically a number). Upon completion of the cycle year, you will input Findings for the Target into the "Findings" section. Update the Target "Status" based on those Findings.

"Explanation of Findings (Optional)" is an optional section for you to utilize if you have more details you would like to provide in regards to your Findings.

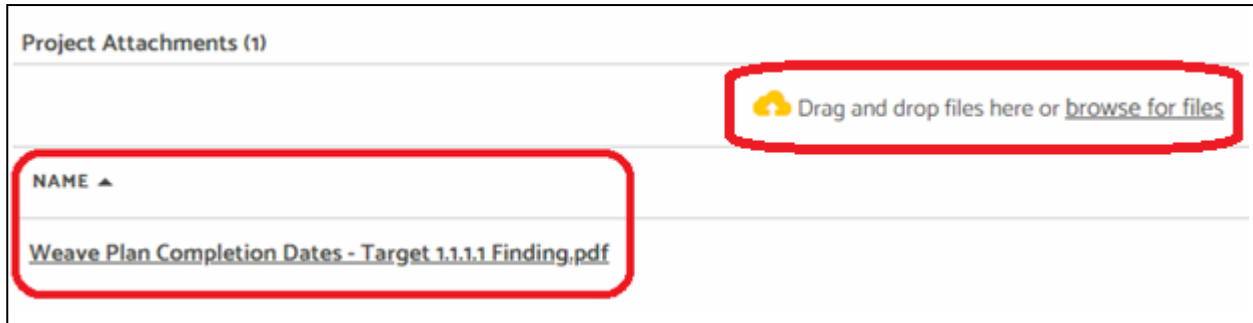

NOTE: All three sections under Targets are limited to 255 characters. Keep this information specific and concise.

The screenshot shows a "Targets (1)" section in a system. It contains a single target entry for "1.1.1.1". The entry has four sections: "DESCRIPTION", "TARGET", "FINDINGS", and "EXPLANATION OF FINDINGS (OPTIONAL)". Each section title is highlighted with a red box. The "DESCRIPTION" text is "The Student Satisfaction Survey will be administered in April 2022. At least 40% of the targeted student population will complete the survey. The final report based on analyses of the results will be distributed in June 2022." The "TARGET" is "40%". The "FINDINGS" text is "Although we administered the survey in April, we only a achieved 38% response rate and failed to distribute the report until July." The "EXPLANATION OF FINDINGS (OPTIONAL)" text is "While we did not meet our target, we have found that a huge factor in this has been Covid and our inability to utilize our marketing resources to the best of our ability." To the right of the target entry, a "STATUS" dropdown menu is highlighted with a red box, showing "Not Met" as the selected option.

Project Attachments

Upload key documents that provide additional evidence or support for your Continuous Improvement Report in the "Project Attachments" section. You can drag and drop attachments or upload them by selecting "[browse for files](#)." All attachments will be uploaded in one area; you will not be able to upload them specifically to an element/section. Therefore,

1. Save your file with a distinct and descriptive name (i.e., Annual Report for Targets 1.1.1.1 Findings), and
2. Also, ensure you cite each attachment within the narrative.

You must upload documents in formats to which most people have access (e.g., Word, Excel, PDF).

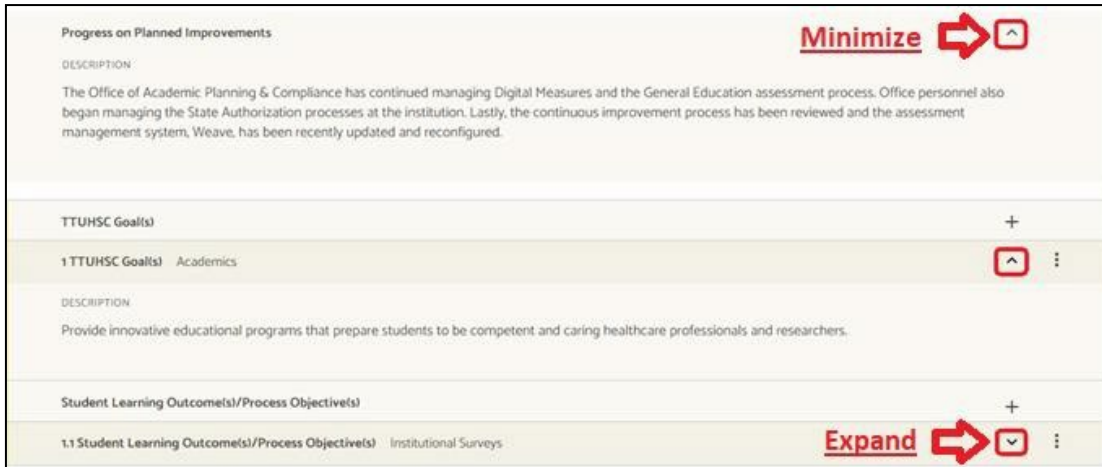

Adding New Elements to Your Project

To add an additional element to your project, you will click on the "+" next to the element you want to add. Please note – when adding an outcome/objective, a dropdown box will appear with the option of "Program Level." This option is automatically populated in Weave; you will need to select it to continue.

Toggling Elements in Your Project

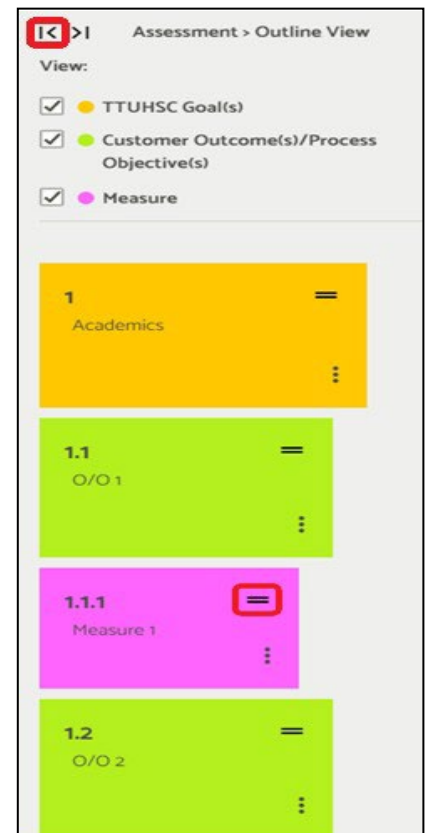

To expand/minimize an element and its corresponding components, you will click on the up or down arrows next to the element. If you click the arrow while it is facing up, it will minimize the component; while clicking the arrow when it is facing down will expand it.

Rearranging Project Elements

- Assessment > Outline View: Right Side of Project Screen

You can rearrange the order of your plan elements (i.e., Outcomes/Objectives, Measures, etc.) using the "Assessment > Outline View" option on the right side of your project page or by going back to the full "Assessment > Outline View" page. In the "Assessment > Outline View" on the right side of your project page, you will move your mouse over the double lines of the element you want to move and select. Then drag to the desired location. To get to the full layout of the "Assessment > Outline View", you will click the bold arrow facing left to move the screen back into that view. You can rearrange that section the same way.

- Assessment > Outline View: Full Layout Mode

NOTE: Please disregard the section on the right, "Unassigned Customer Outcome(s)/Process Objective(s) and Measure(s) (0)". As we advise that you work in the fillable portion of the plan to add in these elements.

The screenshot displays the 'Weave 2.0 Training Example Provost 2020-2021' interface. At the top, the title 'Weave 2.0 Training Example Provost 2020-2021' is shown. Below the title, there is a navigation bar with 'Assessment > Outline View' and a 'View:' section containing three checked items: 'TTUHSC Goal(s)' (yellow circle), 'Customer Outcome(s)/Process Objective(s)' (green circle), and 'Measure' (pink circle). The main content area is split into two panels. The left panel, titled 'Assessment Plan', contains a grid of colored boxes representing different levels of the plan: two yellow boxes for '1 Academics' and '2 Operations'; two green boxes for '1.1 O/O 1' and '2.1 O/O 3'; two pink boxes for '1.1.1 Measure 2' and '2.1.1 Measure 3'; and two more green boxes for '1.2 O/O 2' and '2.2 O/O 4'. Each box has an equals sign icon and a vertical ellipsis icon. The right panel, titled 'Unassigned Customer Outcome(s)/Process Objective(s) and Measures (0)', contains an 'Add Customer Outcome(s)/Process Objective(s)' button and an 'Add Measure' button, both with plus icons, and two empty dashed boxes for input.

Downloading a Report

To download a report in Weave, you will select "Reports" at the top of the page.

You will then select "Assessment" from the REPORT TYPE drop-down menu. Then click "Create New."

Select type of report

The screenshot shows a form titled 'Select type of report'. At the top, there is a label 'REPORT TYPE' above a dropdown menu. The dropdown menu is open, showing 'Assessment' as the selected option. Below the dropdown are two buttons: 'Create New' and 'View Saved'.

You will select "Page View" for the Report Format. Ensure that you title the report with a distinct name. The Executive Summary and Report Description sections are optional. Then select "Next."

The screenshot shows a form titled 'Create new report'. It has a label 'REPORT FORMAT' above a dropdown menu with 'Page View' selected. Below this is a 'REPORT TITLE' field with the text 'Academic Planning and Compliance Report 22-23'. There are two optional text areas: 'Executive Summary (500 character max)' and 'Report description (Will not be included in report - for internal use only)'. At the bottom are two buttons: 'Back' and 'Next'.

Select the plan(s) for which you would like to generate a report. You can filter for a specific project by typing in that plan's name in the "Project Title" box. You can also filter by Reporting Period, Status, or you can scroll through your list to access your specific project. Select the box next to the plan(s) for which you would like to pull a report. You can select multiple plans when pulling reports. Then select "Next."

NOTE: As the years go on, your projects will increase and you will want to filter by the "Reporting Period" to ensure you are pulling the plan for the correct reporting period. You will always want to double-check that the "Reporting Period" for the plan you are going to select is the correct one you are wanting.

Unit Mission

In order to support faculty and staff in achieving the institution's mission, the Office of Academic Planning & Compliance seeks to promote continuous improvement through annual planning and assessment; coordinate institution-wide academic planning; and ensure ongoing compliance with THECB, SACSCOC, and other federal requirements.

Progress on Planned Improvements

For 2020-2021, the Office of Academic Planning & Compliance (APC) had one action plan for a Partially Met state authorization compliance target (1.4.2.1). In 2021-2022, APC personnel communicated more frequently to internal state authorization stakeholders to help elicit more timely compliance needs. APC communicated with school representatives in 3 separate emails (group-based and individual) on 05/02/22, 05/25/22, and 06/07/22 regarding upcoming state authorization deadlines. In addition, APC presented on state authorization compliance requirements to the School of Nursing graduate leadership team on 06/01/22. All schools met the NC-SARA Annual Report deadline, but one school still did not meet the annual professional licensure determinations deadline. APC staff will continue working on this outcome and target.

On the Saved Reports page, you will see the current report you are running indicated as "Processing," and all previous reports will have a "Download" button option for you. After processing is complete, select "Download" for the report you want to open.

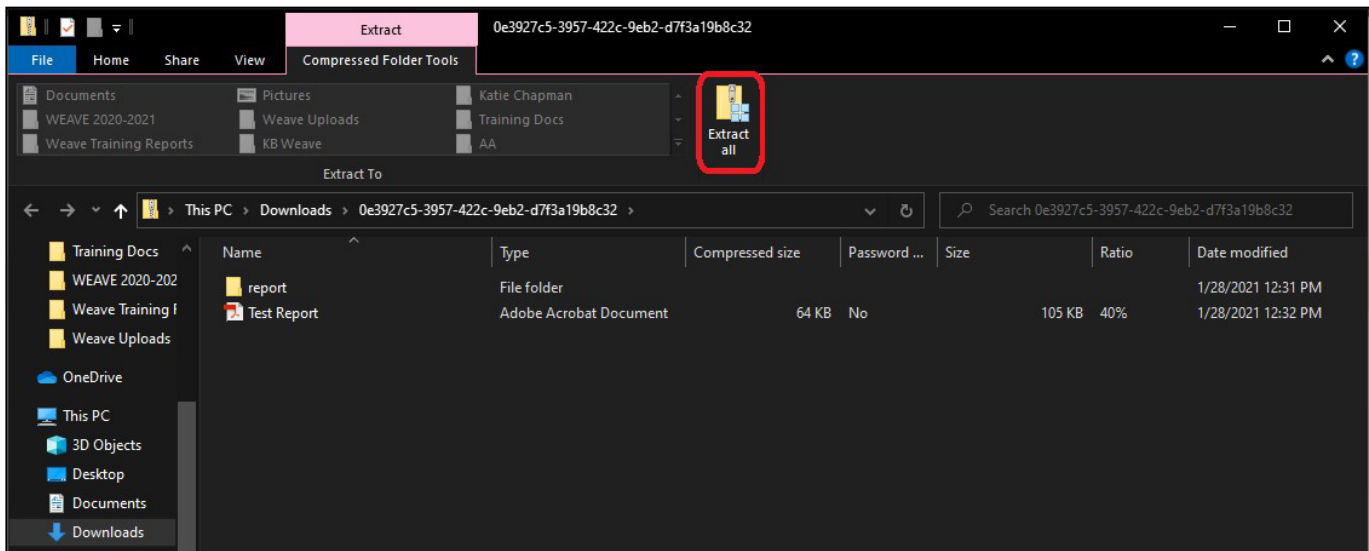

The screenshot shows the 'Saved Reports' section of the Weave application. It features a table with columns for Date, Report Name, Description, and Compiled By. The first report, dated JAN 21, 2021, is in a 'Processing' state. The second report, dated JAN 21, 2021, is titled 'Academic Planning & Compliance Report - 12121' and has a 'Download' button. The other three reports are dated JAN 20, 2021, JAN 19, 2021, and JAN 12, 2021, and all have 'Download' buttons. A 'Filter reports' input field is located above the table, and a 'Create New Report' button is in the top right corner.

Date	Report Name	Description	Compiled By	
JAN 21, 2021	[Processing] TEST		Katie Chapman	[Processing...]
JAN 21, 2021	Academic Planning & Compliance Report - 12121		Katie Chapman	[Download]
JAN 20, 2021	TEST		Katie Chapman	[Download]
JAN 19, 2021	Test Weave 2.0 Training Report		Katie Chapman	[Download]
JAN 12, 2021	Weave Training Test		Katie Chapman	[Download]

If you are downloading a report that will include "Attachments," there are a few extra steps you may need to take to access the attachments in the report.

Downloading a Report with Attachments on a PC

Select "Download" from the Weave Reports page. When the File Explorer pops opens for you to download and open the report, you will need to select "Extract all" before doing anything else. This will ensure that when the report is opened, you will also be able to open the attachments within the report.

After selecting "Extract all" and a new File Explorer opens, you will then need to go to your Downloads folder. You will find the report that was just downloaded with two different types indicated: "File Folder" and "Compressed (zipped) Folder." It is important to note that you will need both of these files if you plan to share this report with anyone. The "File Folder" is the file of the report you will open on your computer and the "Compressed (zipped) Folder" is the file of the report you will share with others. You will want to copy both and paste them into the appropriate folder that you would like your report saved. You may rename the folders to match the report name.

Downloading a Report with Attachments on a Mac

Select "Download" from the Weave Reports page. To share your report with access to supporting documents, send the complete zip folder. If only the PDF of the report is sent, attachments will not open. There is no need to "Extract All" when using an Apple computer. You may rename the folder to match the report name.
