Betty Ford: The Real Deal.

Betty Ford was many things: first lady, breast cancer survivor, feminist, substance abuser, and prone to controversy, but one thing she was not was a phony. Poignant and provocative, **Betty Ford: The Real Deal**, draws from a wide-ranging and candid interview with Mrs. Ford by renowned presidential historian Michael Beschloss. Additional interviews with the Ford family, friends and historians are augmented by old photos, home movies, film from the White House years and new material shot at the Betty Ford Center and around her home in Rancho Mirage, CA.
