My Vietnam, Your Iraq

The Vietnam War polarized the United States in the 1960s; decades later, U.S. involvement in Iraq initiated its own discord. But ***My Vietnam, Your Iraq*** connects these two wars with less attention paid to divisive politics, choosing instead to focus on the personal stories of eight Vietnam veterans whose own children have served in Iraq. The stories examine the pride, fear, and myriad of emotions and challenges that parents and their children face during deployment, each with their own perspective and expectation. Though the stories are unique to the individual families, these intimate profiles resonate with all of us: the stories of the men and women who fought and fight for themselves, their families, and their country.

Co-sponsored by the Office of Student Services Veterans and Military Advising

FREE pizza will be provided to the first 30 attendees!

This event is free and open to the public. No RSVP is necessary.
