

Global Perspectives Film Series

featuring

The White Helmets

Thursday, February 2 Noon, ACB 240

After five years of war, over 400,000 Syrians have been killed and millions have fled their homes. In areas out of regime control, those who remain rely on a group of volunteers dedicated to saving anyone in need. As daily airstrikes pound civilian targets, this group of indomitable first responders risk their lives in search of survivors among the wreckage.
