Wednesday, April 17, 2024

12:00 PM - 1:00 PM

Zoom ([register here](#))

Please join the Office of Global Health as we host a panel of healthcare experts that have utilized local TTU System resources to bring their respective innovations to a larger patient and consumer audience. Panelists will reflect on how their professional experiences led to creative invention, and what it's been like to navigate idea dissemination and commercialization.

This event is free and open to the public.

No RSVP is required.
