

Fall 2023 GLOBAL HEALTH LECTURE SERIES

Know Before You Go: Essential Considerations for Global Health Engagement

Featuring

Heather Haq, M.D., M.H.S.

Department of Pediatrics, Baylor College of Medicine

Wednesday, November 29, 2023

12:00 PM - 1:00 PM

Zoom ([register here](#))

Dr. Heather Haq will present essential considerations for trainees, pediatricians, and other health professionals prior to engaging in global health work. These considerations include ensuring that individuals have examined their motivations for travel, are adequately prepared, and that engagements are rooted in sustainable partnerships, ethically sound, and mutually beneficial.

This event is free and open to the public.

No RSVP is required.
