

Global Health Lecture Series

ELWA Hospital, Liberia, 2018: Medical Care After Ebola

featuring

James “Whit” Walker, MD

Assistant Professor, Internal Medicine
TTUHSC Amarillo

**Monday, February 18
Noon**

ACB 110 (Lubbock) & 4714 (Amarillo)

Zoom: <https://ttuhsc.zoom.us/j/9798966879>

Dr. Whit Walker has worked in several developing countries. During the summer 2018, Dr. Walker was able to serve the people of Liberia, including survivors of Ebola. He had the opportunity to work with and train several Liberian physicians who are in a family medicine residency program.

Free lunch will be provided to the first 50 attendees (*Lubbock campus only*).
This event is free & open to the public. No RSVP is necessary.

For more information about the Global Health Lecture Series, contact the Office of Global Health at
806-743-2901 or globalhealth@ttuhsc.edu.

Persons needing assistance should contact the Office of Global Health for arrangements.
