

The Office of Global Health

Presents

THE GLOBAL HEALTH LECTURE SERIES

Featuring: Open Door Lubbock CEO Chad Wheeler

What does homelessness in Lubbock really look like and what do we do about it? These are the major questions explored in this presentation. It begins with a detailed look at the best available local data on homelessness and housing, followed by an analysis of the public and nonprofit attempts to address the issue, and concludes with data-driven, evidence-based recommendations for ending homelessness in Lubbock.

When: 12pm to 1pm

February 24th 2021

Where: ZOOM (register below)
