Community Outreach Program

WHAT IS APHASIA?

Loss of language due to a stroke or other damage to the brain

Persons with aphasia may have problems with one or more of the following:

- ★ Speaking and writing/typing
- ★ Understanding the speech of others
- ★ Reading or comprehending words on a page/screen

OTHER RESOURCES

- ★ American Speech-Language-Hearing Association (ASHA)
www.ASHA.org
- ★ National Aphasia Association
www.aphasia.org
- ★ Stroke Forward
www.strokeforward.com
- ★ Canada Aphasia Institute
www.aphasia.ca
- ★ Aphasia Access
www.aphasiaaccess.org
- ★ Aphasia Recovery Connection
www.aphasiarecoveryconnection.net

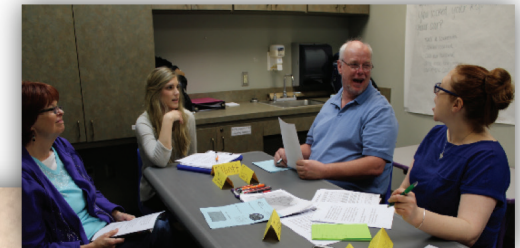

Aphasia is not a loss of intelligence, but rather a breakdown in communication.

SMALL GROUPS

- ★ Adult stroke or brain injury survivors with aphasia or other communication needs
- ★ Adults with Primary Progressive Aphasia (PPA)
- ★ All ages welcome
- ★ All levels of communication ability welcome

CAREGIVERS NETWORK

- ★ Provides education and information
- ★ Promotes networking among members
- ★ Provides a venue for caregivers to share
- ★ Supports family and friends of persons with communication challenges

If you, a family member, or a friend would like to participate in the Stroke & Aphasia Recovery Program, or if you would like to find out if you are eligible to participate, please call us at **806-743-9050**.
