

South Plains Food Bank GRUB Farm

Group Number 8

➤ Population Served

- Children aged 14 - 18

➤ Services Provided

- Teaching children from all backgrounds in the Lubbock community about nutrition, leadership, job skills, and life skills through agriculture.
 - Opportunity for volunteering during the school year and paid work during the summer.
- Produce grown at the GRUB Farm is given to Shareholders and the Food Bank.

➤ Clients' Health Needs

- Some children in the program don't have access to food at home. The GRUB Farm pantry provides these children with food to bring home.

➤ Clients' Health Information Needs

- Opportunity to learn life skills that will hopefully prepare them to be a well rounded and successful adult.

➤ COVID-19 Impact

- Less donations are being given to the food bank – especially from grocery stores.
 - More difficult to get food to provide to the kids during classes/to bring home.
 - Rationing food donations to accommodate.

➤ Advice for Physicians

- Build a relationship with your patients.
 - Children are more likely to be open with you when you have formed a connection with them.
 - Show that you care 😊
