Tuesday SOM/SOP IPE Session Guidelines

- Attire: White Coats for students
- Location: Students should participate in this activity from a quiet location that will allow full participation
- SOM/SOP Simulation tasks for medical students (*This is a draft, pending final instructions*):
- This experience will be done via Zoom. Each wave will have an assigned zoom ID number and password. Students will be admitted from a waiting room. Please be prompt. SOM students will do the following:
 1. Gather with the members of your group at your assigned time and in your assigned zoom room, where you will receive the simulation scenario. You will be able to open a file posted to the chat, then move to your group's breakout room. Discuss the situation among yourselves to make a general plan. You will have 10 minutes for this discussion.
 2. Your Pharmacy Team will be admitted to the zoom room. They will provide consultation and advice. The members of your Pharmacy Team will not know anything about the situation beyond what you explain to them. You will have 10 minutes for this discussion
 3. Your patient will be admitted to the zoom room. You will connect with the patient for explanations and to answer questions and provide information as to what are the next steps. You will have up to 12 minutes for this discussion. Your patient will have another 3-5 minutes to provide feedback to your group.
 4. Complete the Self-Disclosure Checklist online at this URL: <https://tinyurl.com/somsopipe>
 5. Attend your assigned debrief session at your assigned time.

Time Schedule for Waves

10 minutes: SOM students receive scenario & instructions & plan an approach

10 minutes: SOM and SOP students confer and determine an approach

10-12 minutes: SOM and SOP students talk to the patient and answer questions

3-5 minutes: SP gives feedback

3-5 minutes Students complete on-line self-assessment
