TTUHSC Leadership Development Program

2025 EMERGING LEADERS

Program Overview: This 6-session program is designed to provide a functional knowledge of effective leadership skills to team members with less than three years of TTUHSC supervisory experience.

Program Structure: Cohort-based / 1 hr. eLearning and 3 hr. live sessions via Zoom
 There will be a limit of 20 team members per cohort.

Registration: Applications will be accepted through December 13, 2024 for the January – June 2025 cohort. More information on the registration process can be found on the [Office of People and Values](#) website.

Program Fee: \$100

This fee covers the cost of assessments, supplies and other costs related to running the program. Instructions for payment will be sent upon acceptance into the program.

3. Versatile Communication – This session identifies the four social styles to help you gain a better understanding of how to communicate and lead your team from a versatile perspective.
4. Resolving Conflict – This session will concentrate on the core essentials of resolving conflict by using actionable methods to maintain positive relationships and get the best results from your team.
5. Managing Change – During this session, you will learn the fundamentals of leading through change, explore strategies to empower and engage your team members during a time of transition, and discover how to solve common challenges that teams experience when facing a change.
6. Coaching – During this final session, you will identify different coaching strategies and provide the skills to inspire and guide others toward personal and professional growth, enhanced performance and overcoming challenges.
